AL-HAMD
INTERNATIONAL
CONTAINER TERMINAL (PVT) LTD.

**PAKISTAN'S LARGEST
OFF-DOCK CONTAINER TERMINAL
IN THE PRIVATE SECTOR**

TERMINAL

FCL and LCL containers and cargo are handled in a decisive and cost-efficient way in the 800,000 sq.ft. Custom bonded area. Total storage capacity approx. 5000 teus.

EMPTY DEPOT

Separate non-bonded area has a capacity to store 1200 teus.

DG CARGO

Separate DG Cargo Shed as per IMO Standard for safe handling.

WORKSHOP

Our skillful mechanics ensure that best care is taken of our equipment.

SECURITY

The terminal and CFS shed is safe guarded around-the-clock with armed guards and surveillance cameras.

CFS SHED

Our 30,000 sq. ft. Indoor shed capacity stores palletized cargo in a 5 high narrow aisle racking system with computerized tracking cargo system.

EQUIPMENT

AICT has the latest Reach Stackers with a lifting capacity of 45 tons, Electric Reach Trucks for shed operation and a large number of forklifts.

CSD

Our Customer Service Department with its One Window Operation attends the customers in an efficient way.

I.T.

Our computerized ATLAS system not only controls all the movement within the terminal and enable tracking of cargo but also give us the liberty to meet the changing demands of our customers.

CUSTOMS

Pakistan Customs evaluated (Import and Export) and preventive staff headed by an officer of the rank of Deputy Collector. Direct WAN Link with Karachi Custom House for on-line feeding of data in Pakistan Customs Data Base.

Al-Hamd International Container Terminal is Pakistan's largest Off-Dock Container Terminal in the Private Sector providing services for handling both FCL and LCL containers and cargo. With modern common user off-dock facility AICT is geared to provide high-quality and competitively priced services to the shipping and forwarding industry and importers and exporters of Pakistan.

The location provides an added advantage to the importers and exporters as they have close proximity to their factories and warehouses plus ready availability of the transport and many other allied advantages make AICT much more competitive and acceptable to its Customers.
